SAUVIGNON BLANC

WINEMAKING NOTES

The vineyards of Chile—famous for producing Sauvignon Blanc with a mouthwatering zing—give this lively wine its seize-the-day vibe. While the 2020 vintage was warmer than usual, cool autumn nights allowed the fruit to retain its crisp acidity. A slow, cool fermentation in stainless steel preserved the wine's bright fruit character, creating a burst of fresh flavor in the glass.

TASTING NOTES

This vibrant Sauvignon Blanc delivers notes of tropical fruit with a refreshing twist. Accents of fresh-cut grass and kiwi-lime delight the nose, balanced by zesty citrus-pineapple and white peach aromas. The palate is crisp and fresh, with a subtle hint of honeydew melon and bright acidity.

BEST VALUE

"Subtle dill aromas and green-melon flavors give a lean profile to this good medium-bodied wine."
